We need to-day more than ever before, the teachings of our Holy Torah. That Scroll of the Law, in which lies the whole strength of Israel; in which the secret of our Survival and preservation as a people stands revealed to all mankind. I am happy to refer to that one Scroll in your Ark, which was presented to this Holy Tabernacle, by a member of this Community in everlasting memory of a noble and gallant son who paid the supreme sacrifice on the field of battle. A loving son, a courageous Jew, whose memory will remain for a Blessing, as it is linked up with those immortal teachings of our Torah.

Let therefore, a clarion call issue forth this Sabbath eve from this New House of Worship; a call that shall resound in every Jewish heart, calling for your spiritual re-awakening, and above all else, let it at the same time become the Divine instrument which will endow yourselves and your children ~~xxxxxxx~~, with the true religious ideals, values and the moral convictions of our People Israel.

It is my fervent wish and Prayer that this Synagogue may soon appoint its own spiritual leader and shepherd, so that it may indeed become a Fountain Head of Devotion and of Loyalty. "על זמית במקום יעל זמית בקרב" "In the name of the Almighty God, and in the presence of this Community? I Consecrate this House of God, marking the beginning of a great and noble epoch in the life of this ^{1st Synagogue} Community on the Copper-belt, exclaiming with the Psalmist"

ה' זמית במקום יעל זמית בקרב

O, Lord, I love the habitation of Thy House
And the place where Thy glory dwelleth".....A M E N..
