

PRAYER

O Merciful Father in Heaven, look down this festive day
day, from Thy holy habitation and Bless His Worship the
Mayor and the Mayoress; their deputies, and all their
co-workers and assistants and officials of this Municipality
and all
// who dwell within this Town. Be with them in their coming in; ~~and~~
~~in~~, and in their going out. Be Thou, O God, our everlasting
light and may Thy law of truth and Justice, Peace and
Righteousness remain our unfailing glory.

We ask of Thee, O God, crown their efforts with success
and may they find grace and favour and good report, in
Thine eyes and in the eyes of all who behold them. So
shall Peace and tranquility ever remain within our borders
happiness and joy within our homes and blessing and
prosperity upon all the work of our hands, and let us
say .AMEN.
